Potential FMR/EMR Student:

RE: First Medical Responder and Emergency Medical Responder Program

Thank you for your interest in our FMR/EMR course. The EMR and FMR programs run concurrently to accommodate both students who need the FMR as a prerequisite for the PCP program and those pursuing their full EMR certification. Enrollment is on a first-come, first-served basis, and we are currently accepting registrations for the next available course. Please note that course payment is required to finalize your registration before the first day of class.

The course is scheduled to begin on **Wednesday, November 25th, 2026, at 1800h.** The course will be held at our St. Albert office and will run for approximately 12 weeks from the start date. Classes will follow the schedule below:

Wednesdays & Thursdays: 18:00–22:00
Every second weekend: Fri 18:00–22:00; Sat–Sun 08:30–16:30
Additional online evening sessions may be added.

The cost of the First Medical Responder program is $2,985.00 inclusive of GST. The tuition includes the cost of all manuals, course textbooks, study exercises and handouts. The FMR program includes a driving program consisting of didactic time as well as a high-fidelity driving simulator, TFR certificates, and a CPR - Health Care Provider update for all students.

The cost of the Emergency Medical Responder program is an additional fee of $2,000.00, which covers the extra components needed for EMR graduation. These include a clinical placement, uniform, the full R2MR program, and PHTLS. The total cost for the EMR program is $4,985.00, including GST.

FMR graduates are eligible to continue to the selection process for our Primary Care Paramedic Program.

EMR graduates are also eligible to enter the selection process for our Primary Care Paramedic Program. In addition, they may write the COPR exam, obtain provincial registration, and work as an EMR.

For applicants wishing to enroll in the **FMR program**, the following prerequisites must be included with your completed application form:

- Completed application form with current information.
- Minimum 18 Years of Age
- Driver's License- Class 5 minimum, non-GDL
- Current BLS Provider, CPR Level C or Health Care Provider (Heart and Stroke Preferred)

For applicants wishing to enroll in the **EMR program**, all the above requirements apply, plus the following additional prerequisites:

- Grade 12 High School Diploma/GED/ that must include - English 30-1 or 30-2 - Math 10 Pure OR Math 20-1 or Math 20 Applied OR Math 20-2 - Biology 30 or equivalent
- CLEAR Security Clearance Check within 90 days of application (Must include Vulnerable sector)
