Dear Potential Student:

RE: Primary Care Paramedic Program

Thank you for your interest in the Primary Care Paramedic Program offered by Professional Medical Associates. This letter will confirm the details regarding the dates of the next selection process for the Primary Care Paramedic Program. The Primary Care Paramedic Programs will be held from both our St. Albert and Calgary offices. Classes are scheduled to commence on **Thursday February 18th, 2027 for St. Albert and Monday February 15th, 2027 for Calgary. Both programs will primarily run on a 3 days on, 5 days off rotation. For the first weeks, prior to the first practicum in April 2027, the program will run on a 4 on 4 off rotation.**

The next PCP program from Professional Medical Associates will be delivered using the recently announced 2027 mandate from the Alberta College of Paramedics with expanded content, as well as the addition of a second introductory practicum.

As applications start coming in, you will be contacted by email or phone with a time for the written exams, scenario testing and interview. Based on the demand for this program, we have scheduled the following testing sessions in Calgary and St. Albert.

Written exams, scenarios, and in-person interviews for our St. Albert campus (#101, 265 Carleton Drive) will be on January 9th, 2027.

Deadline for applications – January 4th, 2027

Written exams, scenarios, and in-person interviews for our Calgary campus (#112, 11420 – 27th Street SE) will be on January 11th, 2027.

Deadline for applications – January 4th, 2027

To assist students in determining the total costs while comparing various programs, our programs are inclusive of all texts, lab fees and student packages, rather than a tuition price with the student responsible to pay additionally for texts, student and learning packages, etc. Various options for payment plans are available. Our current program fees are \$14,950.00.

The selection process is comprised of:

- a 200-question multiple-choice and short answer examination,
- aptitude examinations,
- one medical or trauma scenario, and
- a personal interview.

It should be noted that applications will not proceed to the next stage without a cheque or money order for **\$150.00** for the cost of assessment and testing.
